

Barn Sponsorship Opportunity

\$2,500 per Year | 5-Year Commitment

Help preserve and improve the Boundary County Fairgrounds — a community landmark that has served generations of families, 4-H members, and fairgoers.

With our Barn Sponsorship Program, you can make a lasting difference. For \$2,500 annually, sponsors can choose a barn to support, and your name or business logo will be proudly displayed at both entrances of the sponsored barn for the full five-year term.

Your sponsorship directly funds repairs, upgrades, and safety improvements. Many of our barns still have original siding, roofing, and electrical systems, some dating back decades. The Fair Board carefully prioritizes projects — beginning with major structural and safety repairs before addressing cosmetic upgrades.

Thanks to this new sponsorship program, we've already made major progress:

- ✓ A new roof on the Indoor Arena
- ✓ New siding on the FFA Barn
- ✓ Upcoming improvements to the Swine Barn this spring

Together, we can continue revitalizing the fairgrounds — one barn at a time.
