Boundary County 4-H/FFA Event Dress Code

This dress code has been developed to ensure that participants and spectators are not offended or uncomfortable during 4-H/FFA events and activities. As the Idaho State 4-H Family Handbook, and the FFA Code of Ethics states, members should be their own best 'exhibit'. This includes their personal manners, attitudes, and courtesy, as well as appropriate dress and physical appearance. If you choose to dress inappropriately, you will be asked to change or leave the event until proper dress is obtained. Please dress responsibly to ensure that you contribute to a pleasant 4-H/FFA atmosphere.

As a rule, a 4-H/FFA member's clothing should be neat, clean, modest, acceptable in repair and appearance, and be in good taste and decency as appropriate for the specific event. The member is a representative of 4-H/FFA programs, and their appearance should reflect professionalism.

Examples of prohibited dress or appearance include but are not limited to:

- Bare midriff shirts
- Exposed undergarments
- Excessively short or tight garments, including spanx, tube tops, and short shorts
- Shirts with less than a 1-inch strap, including strapless and one-shoulder tops
- Shirts that reveal navel, back below the shoulder blades or cleavage
- Attire with messages or illustrations that are vulgar, indecent or advertise any product or service not permitted by law to minors
- Any adornment such as chains or spikes that could be perceived as a weapon
- Any symbols or styles associated with gangs or intimidation.

Livestock Exhibitor Dress Guidelines

These guidelines for dress must be observed whenever exhibitors are in the show ring and during the Market Animal Sale.

A shirt or blouse must be worn. It may be sleeveless, short sleeved or long sleeved, but must have a collar. If the shirt has buttons it must be buttoned to the collar bone. Full length slacks, pants, or jeans are appropriate. "Grubby" holey or tight worn out jeans as well as excessively baggy pants are not acceptable. Hard soled boots or laced tennis shoes must be worn to meet safety standards. **NO** sandals, flip flops, or heels more than 1 ½ inches high. Western hats are appropriate unless otherwise noted by the judge. **NO** baseball caps. All Dairy projects, (goats, cows, etc.) members must wear white pants and white shirts. 4-H club shirts, vests or jackets must have collars and shirttails must be tucked in. Decorating of exhibitors or animals by means of costume, signs, glitter, body paint, etc. **WILL NOT** be tolerated at any time while competing or during the Market Animal Sale.

NOTE: *Please take pride in your personal appearance, represent yourself respectfully to support the group you are associated with. *Fair Royalty & Family Fun Night Royalty (4-H & FFA) will **NOT** wear sashes or tiaras while competing. They may be worn during the Market Animal Sale.

If during any 4-H/FFA event you are asked to change by a Leader or Advisor, please do not argue and comply as asked. If you think you have been asked unfairly, please change for the time being and follow the guidelines for filing a complaint to the Leader's council and Livestock committees to be dealt with in a reasonable manner as the 4-H Code of Conduct states.

MARKET ANIMAL SALE

Indoor Arena

Clerks.....	Columbia Bank

Staging.....	All Livestock Leaders

Greetings

On behalf of the 4-H and FFA Leaders and Members, we would like to extend to you a special invitation to attend the Boundary County Market Animal Sale on Friday, August 14th, beginning at 7:00 pm. The Sale will be preceded by a "Buyers Social and Dinner" which begins at 5:00 pm. This is an opportunity for you to purchase prize livestock raised by Boundary County youth in 4-H and FFA. Your purchase not only brings you the choicest animals, it acknowledges and rewards the efforts of these youth.

Options include:

1. Custom Slaughter - You purchase the animal at the sale and then select a custom meat cutter for processing.
2. Take Out - Buyer may arrange for delivery of their purchases on the hoof. Live animals will be released to new owners Saturday night, August 15th from 7:00 to 10:00 pm.
3. Turn - This is a desirable way for a business or organization to support the sale. The buyer says "TURN" and the animal is purchased by our floor buyers at the current market price. The buyer pays only the difference between their bid and the market price.
4. We have added an additional feature. Anyone can add additional money to a 4-H or FFA member's sale of their market animal. For instance, if a grandparent wants to add \$100.00 to the sale of "John Doe's" market animal they can. The paperwork to do this will be at the counter of the 4-H office located in the indoor arena the day of the Market Animal Sale, Friday August 14th, 2026.

We sincerely hope to see you at the Fair and the Market Animal Sale. Once again, we have planned the sale for Friday night so that the purchaser of market animals can be advertised all day Saturday at the fair. The goodwill generated by participation in the market sale is multiplied time and again, by word of mouth, as well as pictures provided to all buyers for display.

Your participation and support is greatly appreciated.

THANK YOU

**Buyers for your continued support,
