

2022 T-Shirt Design Contest

The 2022 Fair Theme is **“Around the World in Five Days”**. T-shirt entries need to reflect the theme of the fair.

When choosing colors and design, keep in mind that it will likely be printed on a light-colored fabric.

If possible, submit both a black (and white) design, and one in color.

Sign your artwork.

Deadline for art entry is: Friday, MARCH 18, 2022

The Fair Board will judge the artwork at the April Board Meeting and choose a winner. The winner will then be notified, and the winning design will be posted on social media.

The winning entry will receive one free t-shirt in their choice of size, and bragging rights.

The winning design will be shared on social media and other advertising outlets as seen fit by the Fair Board. It will be used to promote the Boundary County 2022 Fair, and as a fundraiser for the Fair.

I understand that by entering the 2022 Boundary County Fair T-Shirt Design Contest, if my design is chosen as the winner, I am allowing the Fair to use my design on this year’s T-Shirts, bags and whatever other medium they choose to put it on. Those items will be sold for Fair fundraising.

They may also use the design in promoting the fair. It may also be used on social media and on the Fair’s Website.

In exchange for using my artwork, I will receive one (1) free t-shirt in the size I choose, and bragging rights.
