## Dear Fair Supporter,

The Boundary County Fair Board and the Boundary County Extension Office work together each year to create a memorable and successful fair for our community. The 2026 Boundary County Fair, themed “There’s Magic in the Fair,” will take place August 12–15, 2026, and will once again bring our county together to celebrate the hard work of our 4-H and FFA youth, as well as the achievements of other community members.

Fairgoers enjoy a variety of agricultural, historical, and commercial exhibits and are entertained by high-quality performances and activities throughout the week. We are incredibly grateful for the support we have received from businesses and individuals like you in the past, and we hope to continue building on this partnership in the future.

### Why Your Support Matters
