CO-OP Gas & Supply Company is your propane, farm, home, and hardware cooperative.

As a member owned cooperative we pay dividends to our members annually on their purchases in profitable years. No other local farm and hardware store pays you dividends on your purchases. Being locally owned and operated means the money you spend here stays here, creating jobs for your friends and neighbors, and strengthening our economy as we have been doing for 87 years.

Why not drop by and see if membership at the CO-OP is right for you?
